Dear Friends,

"Clay" will be entering the eighth grade this fall. When he came to us three years ago, he was reading at a second-grade level. He had not seen his father in years. His mother was in and out of his life due to a drug addiction.

Your donations each month are providing Clay with the family he needs here at the Children's Home. You're making it possible to him to attend a special school designed to meet his needs and help him catch up academically and socially. You are giving him a church home where he is learning about Jesus in his youth group. You are changing the trajectory of his life. Thank you for being a difference maker!

*Perry Hancock, Ph.D  
President and CEO, LBCH*
