**FORERUNNER**

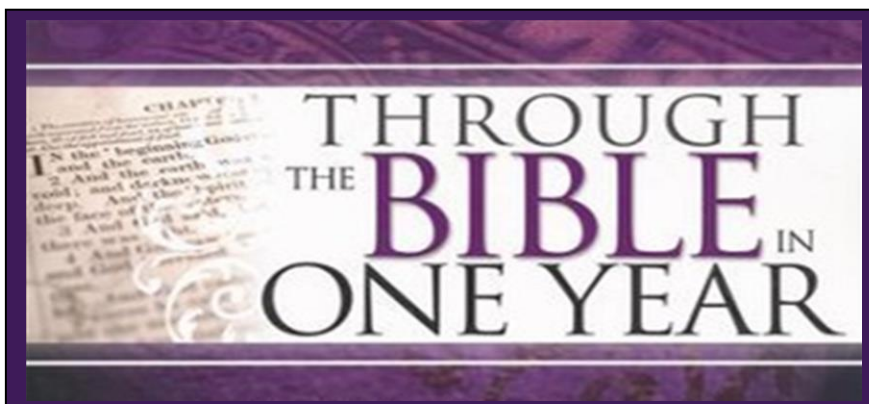

In the coming weeks we will read portions of an excellent article by Kristen Wetherell of Chicago and author of "Hope When it Hurts" and "For the Bible Tells Me So." One of her *Seventeen Benefits to Reading the Entire Bible* is Reason #3:

### **You'll see how the whole Bible points to Jesus.**

The entire Bible is about Jesus Christ, and points to Him all the way through. But the only way to see Jesus Christ in all of Scripture is to read all of Scripture! What a benefit and blessing it is to behold Jesus, our Prophet, through the prophetic books of the Old Testament; to worship Jesus, our King, through 1 and 2 Samuel, 1 and 2 Kings, and the Gospels; and to draw near to God through Jesus, our High Priest, as foretold in Leviticus and Numbers and understood in full, through Hebrews. Read the entire Bible to love and delight in Christ, your Lord and Savior!
