FORERUNNER

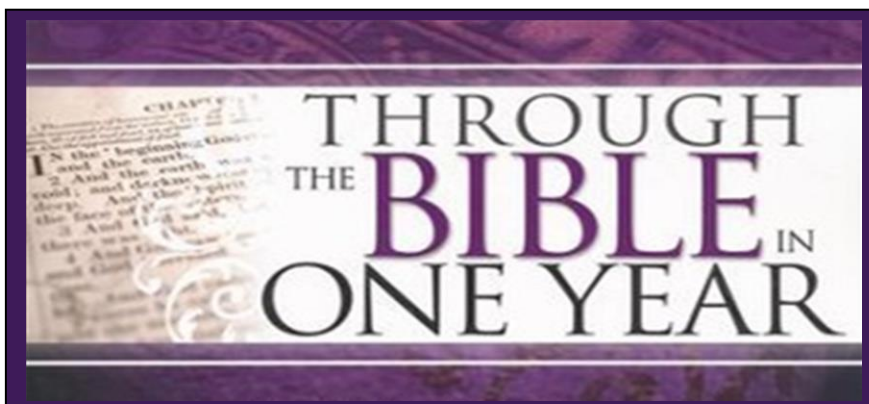

Kristen Wetherell's *Seventeen Benefits to Reading the Entire Bible* presents Reason #10:

You'll Gain a God-Centered Vision, Rather Than a Self-Centered One

As sin-bent human beings, we initially turn our gaze inward. "How does this apply to me?" While that is a good question, we should not limit ourselves to ourselves. The Bible is foremost about God's glory, His salvation plan through Christ and His transforming work through the Holy Spirit. Our searching questions should include: "What does this passage tell me about God? Where do I see Christ in this chapter? How is God's glory manifested in this miracle? How is God's divine plan carried out through this believer? Knowing God more fully leads us to grow in spiritual maturity and understanding.
